

ThermaTac™ is a removable pressure sensitive vinyl for short run, variable data printing on digital dry toner/laser printers.

#### ThermaTac

Available in frosty clear and white finishes

Cleanly removable for up to 6 months

Incredibly durable and waterproof

Suitable for indoor and outdoor environments (durable outdoors for up to 2 years)

Proprietary clean striped edges protect from adhesive oozing that could cause machine contamination

**Print Compatibility:** Digital DryToner/Laser (65+ PPM)

#### Applications

Seasonal Signage

P.O.P. Signage

Deli Signs

Electronics Labels

Window Signage

Shelf Talkers

Bumper Stickers

Calendars

Appliance Labels

In-Store Signs

Parking Decals

Garment Labels
