

# SYNAPS OM

WIDE FORMAT  
POLYESTER FILM

NEKOOSA.COM

Say goodbye to bowing, curling, delaminating, and fading with SYNAPS polyester film.

## SYNAPS OM Matte White

The revolutionary polyester film that prints and dries like everyday paper – without the need for special inks. SYNAPS OM is a next generation synthetic film that is made from high-grade polyester. No other product comes close to matching its exceptionally fast drying time and print quality. The polyester film provides tear resistance, excellent dimensional stability, unmatched lay-flat characteristics, along with the look and feel of a luxury film.

### Applications

- Trade Show Graphics
- Rotating Banners
- Wide Format Banners
- P.O.P. Signage
- Indoor & Outdoor Prints
- Hanging Graphics
- Backlit Graphics

### Product Information

- Alternative to lamination
- Dries and cures fast
- High-grade polyester film
- Waterproof, tear-proof, fade resistant
- No grain direction
