## DESIGNED TO PERFORM

### Stop Laminating

Skip the cost and hassle, choose SYNAPS polyester paper.

THE RESULT: Great looking prints that are waterproof, tear resistant and withstand the harshest indoor and outdoor environments without extra laminating, mounting or coating.

#### IMPORTANT!

Always do a test before using SYNAPS for a specific job. For detailed recommendations on printing and finishing of SYNAPS, please visit [NEKOOSA.COM](http://NEKOOSA.COM)
